Tenets of Manage

1. When I have a grievance with my Brother I will speak to him not about him
2. When presented with an opportunity that will benefit Brothers I will make them aware
3. When somebody or bodies attack my Brothers I will stand in defence of them
4. When in need for any reason I will not be too proud to ask my Brothers for assistance
5. As part of this Brotherhood I promise to improve myself to become the best version of myself for me and my fraternity
6. I will not wait for my Brothers to ask for assistance when I can see their need with my eye
7. I will raise charitable contributions with my Brothers using our sweat equity to invest in building our community
8. As part of this Brotherhood I will never betray us or make any of our business known to outsiders
9. I vow to do everything in my life from hereon in with integrity and conviction
10. I am my Brothers keeper

As a member of the Manage initiative I agree to all of these tenets for the rest of my life
